

Easy doppio telescopico V-1200

Easy double rail

Easy doppelschiene

Easy Soft - close V-1500

L'insospettabile leggerezza del vetro. Un'idea geniale per chiudere naturalmente: un servo-comando invisibile accompagna discretamente il vetro e lo arresta automaticamente con inso-spettata dolcezza, senza urti, vibrazioni o rumori. Una rivoluzione silenziosa nel mondo delle porte scorrevoli.

The unsuspected lightness of the glass. A genial idea to close naturally: an invisible servo-control matches fairly the glass and stops it automatically with unsuspected sweetness, without shocks, vibrations or noises. A silent revolution in the world of the sliding doors.

Diese unerwartete Leichtigkeit des Glases. Eine geniale Idee schließt auf natürlichem Wege: Ein unsichtbarer Selbsteinzug bewegt und beendet automatisch die Bewegung. Mit unerwarteter Zartheit, ohne stoßen, vibrieren oder Geräusche verursachen.

V-1500

Montaggio a soffitto o a parete con profilo V-1104
Ceiling or wall installation with profile V-1104
Decken- bzw. Wandmontage mit Profil V-1104
